

CAMcraft C74 7.4m Cabin Cruiser

The C74 Cruiser is a large, comfortable boat reminiscent of the classic “picnic cruiser”. It is ideal for serious offshore fishing and diving or general purpose family use. The large cabin and cockpit allow for reasonably comprehensive fitout with a small galley etc. Over six ft bunks in the forepeak allow room for a drop-down table and/or WC. It has a large cockpit for fishing and generous platforms for divers or swimming.

The design is a moderate developable hard chine hull with built-in dropped chine strakes. A generous waterline beam and long, fine entry combine with a gentle chine line and 16.5° deadrise. As with all the hulls in the series it is easily driven, exhibits good, seakeeping, a soft, very dry ride and good stability at rest and under way.

PARTICULARS

| | |
|--------------------------|------------------|
| Length Overall: | 7.75m |
| LOA (hull only): | 7.4m |
| LWL: | 6.25m |
| Beam : | 2.5 m |
| Design Draft: | 0.3 m |
| Depth: | 1.535m |
| Deadrise: | 16.5° @ transom |
| Transom Height: | 760mm (30" leg) |
| Fuel Capacity: | 245L |
| Recommended Power: | 175-225hp |
| Max. power (AS1799.1): | 275hp |
